

STEM Volunteer Opportunities

Title	Description	Contact	Links
STEM Project Mentor	Mentor a student as they design and present a project at the Edmonds School District STEM Expo	Karin Butler and Jessica Brady mitmathnight@gmail.com 206.841.3338	STEM Expo: http://www.edmonds.wednet.edu/Page/8333 Idea Generator: https://www.google-science-fair.com/springboard/en/
STEM In-House Field Trip	Help with our in-house field trip for 4 th - 8 th grade students on Wednesday February 18 th	Karin Butler and Jessica Brady mitmathnight@gmail.com 206.841.3338	Sign-up Genius coming soon!
STEM Night	Help with our STEM night especially designed for our K- 3 rd grade students. We would love any eager volunteers 4 th grade and up! STEM night will be Thursday February 4 th from 6-8pm.	Karin Butler and Jessica Brady mitmathnight@gmail.com 206.841.3338	Sign-up Genius coming soon!
Robotics Club	Some awesome high school students from Edmonds Woodway are excited to start a robotics club with our 4 th - 8 th grade students. We just need a couple of parents who might be interested in supervising. It would run as an after school club most likely on Monday or Wednesday.
