

Student bus pass forms: This form is for those days when there is a change in the way your student uses the bus. The form is not mandatory but you DO need this information to be given EACH DAY to the office **and** the teacher of the student riding the bus (morning or afternoon) on the day there is the change. This is an ongoing school policy, and we look forward to better communication between the school and parents.

**BUS PASS** for today only.
