Night

Madrona Elementary

Wednesday

April 1st from 6-8pm in the Gym

Join us for a fun-filled evening of hands on activities and prizes! We will explore how science, technology, engineering, art & mathematics education prepares students to succeed in college and career.

The Event Will Include

Bricks 4 Kidz, Lice Spies, Math 'n' Stuff, ORCA at Everett Community College, Pacific Science Center, UW Society of Hispanic Professional Engineers, Chess Club, Sound Bio, Art Wise NW, Arts Umbrella, SnoIsle Library STEAM program, Raspberry Pi Computer Experience Lab - Presented by Washington Association of Raspberry Pi Jams - WARPJams.Com, and more.

Volunteers Needed for 30 min shifts
