

MASKS FOR MADRONA

# BUY ONE, GIVE TWO!

---

MIT is giving a free mask to all students & staff to support them through Autumn/Winter, the potential return to in person education as well as seasonal holidays & events.

We're hoping you can help us fund this effort by buying a Madrona Mask for yourself... your purchase of a single mask will help fund 2 for students and staff.

**ONE MASK: \$9.00**

Masks are non-medical 2-ply made of cotton-polyester with water resistant poly outer & soft cotton inner layer in an elegant charcoal color with white imprint.
