

Joe Rice Scholarship 2023-24

Madrona K-8 prides itself on cultivating a strong community and culture, whose influence extends far beyond its students' time within the walls of the school. An example of this is the Joe Rice Scholarship.

Joe Rice is one of the founders of Madrona K-8 school, founded in 1989. A continuation of his commitment to education is the annual Joe Rice Scholarship that was established to honor his dedication to supporting students' pursuit of their passions while demonstrating Madrona values in their community.

His objective was for students to master the core subjects, but also develop a deep sense of empathy, collaborative mentality and leadership skills that are necessary for success in a multiage center.

Every year, the Joe Rice Scholarship awards \$1,000 to a graduating high school senior who attended Madrona for at least (4) years, and will attend an institution of higher learning the following year. The award funds are sent directly to the student's college/university.

The application process includes a short questionnaire and submission of a prompted essay addressing Madrona's impact and effect on student experience and personal growth

Please share this opportunity with eligible graduating high school seniors

The deadline for applicant submission is **Friday, April 15th, 2024 at 5:00pm**

All scholarship information and forms are located in high school counseling and career offices or on Naviance, a web-based scholarship directory, available to ESD high school students.

Please forward any questions to JoeRiceScholarship@gmail.com

Best of luck to all our 2024 graduating alumni!
